FASHION ALERT

Keeping in mind that our pets need variety too, we try to bring you varying colors & patterns with every changing lot.

*Non
Allergic*

*Germ
Free*

*Environment
Friendly*

Recommendation

We suggest to Dry Clean your pet's clothing to keep them fresh, germ free, and give them a long life. Researchers have found that Our pets skin & fur need to breathe. We recommend to remove clothes everyday for atleast 15 minutes to let their fur breathe & feel fresh.

User Friendly Product Packaging

We Understand the Importance of Your Display

- 🐾 Easy to Hang

BLANKETS

WRAPPED IN LOVE

Mood : Extra Warmth & Cozy Sleep!

WHY TO USE A DOG BLANKET?

Dogs really enjoy sleeping with a super soft and warm blanket. The blanket is a source of warmth, comfort, and will add value to your dog's life. Just like humans, dogs love having something warm wrapped around their bodies in winters while sleeping.
